Sprint Report #2
Product Name: SavvyShoppers
Team Name: SavvyDevelopers
July 12, 2023

Actions to stop doing:

- Reduce frequency of scrum meetings

- Increase focus and participation during scrum meetings

Actions to start doing:

- Increase communication between team members
- Finish the unit testing scripts
- Start attending scrum meetings 3 times a week
- Maintaining the 15-minute time limit for the Scrum meetings

Actions to keep doing:

- Continue Working hard
- Keep on attending TA sessions
- Continue sticking to Scrum principles
- Keep maintaining good relationships among team members

Work completed/ not completed:
- Added email notification when there is a failure to locate an item or when the price has dropped to the desired value
- Completed user interface
- Completed user authentication/account creation
- Completed basic working state of app

Work completion rate:

- As a user, I want to be able to access a working MVP state of the application.
    - We completed this, our app has all of the basic functionality created and tested.
- As a user, I want to be able to be notified when an item I want to track changes price.
    - We completed this, our app will notify the user if the item they want to track doesn't exist or has dropped in price.

User Stories Completed	Ideal Work Hours	Number of Days	User Stories per Day
3	38	7	0.14
Ideal Work Hours per Day	Average User Stories per Day	Average Work Hours per Day	
5	0.42	4.85
